Speaking English with Confidence and Clarity

What does the trainer do?

- Rates oral proficiency of students at beginning and ending of course.
- Prioritizes speech needs to make the most impact on modifying the participant's speech for clarity.
- Tailors the class to meet group and individual needs.
- Develops a variety of instructional formats.
- Structures in-class speaking, listening, drill work, and vocabulary explanation.
- Provides consistent feedback.
- Gives consistent participant support and encouragement.
- Encourages speech awareness, realistic goal setting and self-monitoring.
- Enhances Vocabulary. Increases your use and understanding of both general and precise English words.

Q&A

What are the trainer's qualifications?

Glenda Reece is a certified ESL professional, specializing in speech clarification for non-native speakers of English with particular emphasis on the need for speaking clarity for business persons. She has worked for over 20 years with Internationals in the Research Triangle Area including Sumitomo Electric Lightwave, IBM, Allstate Insurance, GSK, Ganymede Software, Excelite, Bayer, National Institute of Environmental Health Sciences (NIEHS) and many other companies. She is flexible with the needs of management and executive personnel.

What does it cost?

Advanced Level I:
sixteen 1.5 hour sessions, for 1-3 participants, \$1600 each; for 4-6 participants, \$1400 each.

Advanced Level II & above:
ten 1.5 hour sessions, \$1000 for each participant.
